SEASON'S GREETINGS

We are more than justified in feeling happy at the dawn of the New Year, and take this opportunity of expressing our sincere appreciation for your contribution to our success in 1941.

Our wishes for you are many and varied, and can hardly be set down in this space, but chief among them is the wish that your every cloud may have a silver lining. May 1942 be rich in its blessings for you and yours.

There are others who will want to have the first class of successful in the yard in th flight training.

At the Replacement Center Wilkes, Mr. and Mrs. Alvie and these should get their contributions to the Elba Committee

At the Replacement Center Stokes will go through five weeks of preliminary training which will give him a thorough military background for becoming an officer in the Army of the United States on graduation from an advanced flying school, thirty weeks later.

In addition, the course is intended to prepare the cadet, mentally and physically, for the rigors of the actual flight training to come. Stokes will participate in many activities designed to improve his physical condition beyond even the high standards required for entrance into the Army Air Corps.

Upon completion of the course at the Replacement Center Cadet Stokes will enter one of the primary schools located in the Gulf Coast Air Corps Training Center Area. He graduated from Propertical Highs Schools in 1839 and these should get their contributions to the Elba Committee at the earliest possible date. Here is the honor roll:
